

## Assessing a breeding dog (whose parents are not in our database)

**Instructions:**

*Save this form on your computer first and fill in this form with the help of a PDF-editor before you fill in the last data by hand. Please read the registration procedures on our website first before you fill in and submit this form. Please take care about the quality of the submitted documents too.*

*This form must be accompanied by the following documents:*

- a true copy of a signed pedigree by the breeder's organisation;
- true copies of the DNA analysis certificates: One analysis certificate is showing the DNA markers which identifies the dog, the other analysis certificate declares that his parentage has been verified;
- a true copy of a valid prcd-PRA certificate (clear by parentage will not be accepted);
- a true copy of a valid Hips/elbows certificate (In case the dog is too young, preliminary results will be acceptable, but new X-rays examination are compulsory when the dog is older then one year);
- a true copy of a recent health certificate (similar to the Health certificate of ALFA-Europe);
- two pictures of the dog, one in show position and one of the front (sitting position).

*This form and the required documents have to be sent to: [info.alfa.europe@gmail.com](mailto:info.alfa.europe@gmail.com)*

*ALFA-Europe will always take a decision about eligibility after examining the submitted documents carefully. ALFA-Europe will notify you about the decision by email.*
